

17<sup>e</sup> Colloque Ile de Science Paris-Saclay

**JUMEAUX NUMERIQUES**

Diversité, défis scientifiques, enjeux sociétaux et industriels

Jeudi 9 février 2023  
CentraleSupélec

**INTERVENANT(E)S – FICHE DE PRESENTATION**

**NOM/Prénom : BACH Matthieu**

**Appartenance (organisme) : Cosmo Tech**

**Titre/Fonction : Responsable du Customer Success**

**Courte biographie :**

Graduated from an engineering school in France, I started my career in Supply Chain management before leading different projects in the energy sector. Today, I am in charge of Customer Success for Cosmo Tech to help our customers identify how Digital Twin Simulation can solve their business challenges and create value.
